Steps In A Healthy Direction

Sprays & Gels

- Oral Guard Spray: an all natural homeopathic spray which augments oral health.
- Biotene Oral Balance Spray: an over-the-counter spray that moistens dry mouth.
- AO ProVantage: a clear gel that aids in healing containing two antioxidants: phloretin and ferulic acid, as well as menthol, thymol, essential oils, & xylitol.
- AO ProVantage Blast: aids in healing and helping tobacco users achieve healthier tissue.

Rinses

- Hydrogen Peroxide Rinse: brings healing to oral tissues by adding oxygen and creating a poor environment for bacteria to live.
- Chlorhexidine Rinse: a prescription antimicrobial rinse that kills bacteria.
- AO ProRinse: a mouth rinse that contains ferulic acid, curcumin, and green tea catechins along with essential oils, menthol, aloe leaf juice, coconut water, and xylitol.

Cavity Fighting Products

- Xylitol Products: gum, mints, toothpaste, and rinses
- Fluoridex Toothpaste: a prescription strength toothpaste used daily to help fluoride ions bind with weak areas of teeth to re-mineralize the teeth
- MI Paste: a toothpaste that delivers available calcium and phosphate to the tooth surface.

Supplements

- Multi-Vitamins
- Protandim: a daily dietary supplement that combats oxidative stress through Nrf2 activations. Has been shown to help periodontal conditions and reduce oxidative stress in the body.
